FARMWALL POCKET

More than something to harvest.

Pocket brings a small piece of the food system home.

Watch it grow. Care for something living. Harvest food. Learn how growing works. Start again.

The harvest lasts days. The skill can last a lifetime.

01

GROW SOMETHING

Grow microgreens, seedlings and suitable plants in a compact living system.

02

CONNECT WITH NATURE

Aquatic life, water and plants create a living ecosystem in your everyday space.

03

LEARN TO GROW

Observe. Grow. Harvest. Try again. Build confidence by participating in growing food.

92%

OF PARTICIPANTS REPORTED IMPROVED KNOWLEDGE AND SKILLS.

Farmwall Resilience Growing Pilot, 2020. Mid-program participant survey, n=59. Participant-reported outcome.
